ATTENTION HOMEOWNERS!

The warmer weather has lured many more Summerlakes residents out to enjoy the first spring like days. One of the not so pleasant spring tasks homeowners have is locating and repair any damage that occurred over the winter. The wind storm we had a few days ago caused some damage around our neighborhood. Please go out and check your property for any problems; missing shingles, loose siding, damaged trees, damaged gutters and downspouts, and downed fences. These problems are unsightly and bring down the appearance (and property values) of the entire neighborhood. They are also violations of the SHA rules, as well as City Code, and could result in fines.

And while you are out and about definitely take down any Christmas decorations-remember Warrenville requires all Christmas decorations to be down by the 1st of March.

Warrenville Police Department
38245 Warren Avenue, Warrenville, IL 60555

HEADS UP! Per the City of Warrenville Police Department, effective immediately, they will begin issuing warnings (with the possibility of a

ticket if occurrence is continued) to any resident having a car parked over the sidewalk. Injuries have occurred recently from pedestrians having to veer around parked cars into the street while walking dogs, exercising or riding bicycles.
