PRESIDENT'S MESSAGE
BACK TO SCHOOL POOL HOURS
SHAW DRIVE ROAD PROJECT
NATIONAL NIGHT OUT

PRESIDENT'S MESSAGE

And just like that the summer is almost over! School starts in two weeks, with the first day of classes being Friday, August 14th (except kindergarten, which starts the following Monday). Please be patient driving around the school in the morning and afternoon as students come and go. Also, please be careful around the roadwork that the City is doing on Shaw, Hurlingham, Galbreath, and Sova.

We are doing everything we can to get the hot tub back in service. As far as we can tell, the mechanical work is complete. Now we need County and State inspections before we are allowed to reopen.

The ponds north of Batavia Road require continued attention. With the mild algaecides our maintenance company has been applying twice monthly, growth has been kept under control. We have been disappointed by the extent of the damage that they found in the fountain and aeration systems when they looked closely. Those should be back in operation soon, improving the aesthetics and health of the ponds. However, a survey of the ponds in June showed that they have lost almost half of their original storage capacity. We will be looking into the next steps over the course of several months and will welcome constructive suggestions.

You can send email with comments about the ponds, our bridge, or anything else to summerlakes@summerlakeshomeowners.org. You can drop off a note at he Clubhouse. Or come to a Board of Directors meeting. We meet on the second Thursday of each month at 7:00PM in the Clubhouse Annex.

David Harding
President, SHA Board of Directors

JOIN US AT NATIONAL NIGHT OUT AUGUST 4

Enjoy the fun and celebrate Police-Community Partnerships at this year's National Night Out Against Crime: Tuesday, August 4, from 5:00 to 9:00 p.m. at Cerny Park, 4S150 River Road. This amazing annual celebration will include community vendors, music, a free food truck meal, face painting, and more! Stop by the Police Department tent to talk with the officers who protect our community. Questions? Contact Officer Borel at 630-393-2131.

SLOW DOWN FOR STUDENTS - SCHOOL BEGINS AUGUST 14

Protect the safety of all children: Slow down, allow extra travel time, and avoid distracted driving.

School Zones are 7:00 AM - 4:00 PM on school days when children are present, and the speed limit is 20 mph. School begins August 14th.

REMINDERS:

Don't use cell phones. Exceptions apply to emergency situations like calling 911 for police, fire, or ambulance emergency assistance.

Follow the Crossing Guard's instructions. Disobeying a crossing guard is a petty offense that requires a court appearance and carries a fine.

Stop for loading and unloading school buses. Drivers are required to stop for school buses with their red lights flashing and stop arm extended. Cars on a four lane road in the opposite direction to the loading or unloading school bus are not required to stop.

Don't use electronic hand-held devices unless in voice-activated or hands-free mode.

To all who donated raffle prizes and set up information booths at this year's family Picnic. Your thoughtfulness makes for a successful event and is greatly appreciated by all!!

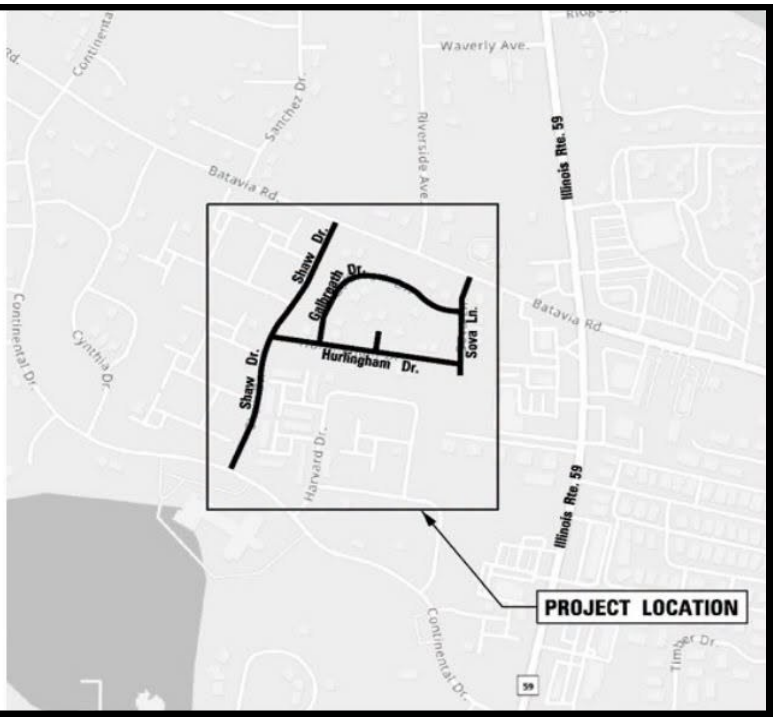
...there's a new groomer!

CITY OF WARRENVILLE
SHAW DRIVE PROJECT

WORK INCLUDES:

- Removing and replacing curbs and sidewalks
- Replacing approximately 4 FT of the lower portion of affected driveways
- Patching and resurfacing neighborhood streets
- Removing the existing sidewalk and installing an 8-foot-wide multi-use path along the west side of Shaw Drive

CITY OF WARRENVILLE



Road improvements are about to get underway as part of the City of Warrenville's Shaw Drive project.

Work is scheduled to begin the week of July 6th and continue through October, weather permitting.

Project improvements include:

Replacing curbs and sidewalks

Replacing approximately 4 feet of affected driveways

Patching and resurfacing streets

Installing a new 8 foot wide multi-use path along the west side of Shaw Drive

If your street is included in this year's project you will receive advance notice before construction begins.

During Construction:

Remove all vehicles from driveway prior to 7:00 am on the day work begins in front of your home.

No parking will be allowed within the active construction zone.

Driveway access will be temporarily unavailable while new concrete cures, typically for approximately 10 days depending on the weather

Parking will be available on City streets outside the construction area.

We know construction can be inconvenient, and we appreciate your patience while these improvements are completed.

Questions? Contact the City of Warrenville Public Works Department at 630-836-3041 or email Maintenance Superintendent Jamie Clark at jclark@warrenville.il.us

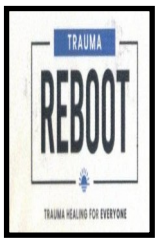
Trauma didn't break you, it wounded you. And wounds can heal.

Trauma doesn't discriminate. It can reach anyone, anywhere, at any time. Time alone won't heal it. Faith alone won't fix it. But through TRAUMA REBOOT, those struggling to cope with crisis or trauma are discovering there is hope after trauma.

REBOOT's 12 week faith based trauma healing course helps individuals and families heal from the moral and spiritual wounds of trauma. Our courses are peer-led, practical, relevant, local, and open to everyone.



Say hello to our new neighbors who moved in during the month of July:

Adrian Manjarrez - Arbury Court
Nicholas Sanzeri - Continental Drive
Shane & Michelle Cheeseman - Sanchez Drive
Jose Mungia Ortega & Elena Mungia - Heather Court
Jack Cooper - Bedford Lane
Safa & Hawa Simon - Continental Drive

Let's all be good neighbors and welcome these new residents to our community!
